Pie an RA

On November 14th, housing held an event called Pie an RA. This event was a service project in efforts to collect cans to donate for the holidays. If you brought 3 cans of food, you could pie an RA. Easy to say, the RAs won this challenge against other leadership groups.

Glow in the Dark Wave Pool Party

This was easily one of the best events of the year! The housing department set up a glow in the dark wave pool party at the local wave pool. There was music, glow in the dark beach balls, and tons of fun. There was a huge turnout, and it definitely helped to build the community at USUE.

AJ Thanksgiving Dinner

This event was one to remember for AJ! AJ RA's Marissa Cribbs, Sara Morley, and Sadee Singleton put on this event. AJ had their very own family thanksgiving dinner. In the spirit of giving, there was also a service project. At the event, there was a station to write letters wishing our troops Happy Holidays. Many students were able to thank American troops for their service and it was a successful event.

Trivia Night

In the upstairs Burtenshaw lounge all students were invited to have pizza and play four different kahoots, all with different prizes they could win. We did Disney/Pixar, sports logos, movie quotes and housing policy kahoots. The prizes were big themes baskets and there was even a printer. It was awesome, so be on the lookout for a trivia night part 2!

Finals Week

Study Nights!

During finals week, each dorm held their own study night! At these study nights, there was pizza for students from Little Caesars and gift bags to hand out. Students were able to come, enjoy some pizza, and utilize their lounge space to study. We were very happy with the turnout and are very proud of our eagles for using that time to study hard!
