## Pharmacy Benefits

Take full advantage of your prescription drug coverage by going to Regence.com

- Order up to a 90-day supply for maintenance prescriptions.
- Use our search tool to locate in-network pharmacies near you.
- Search for medication and find the generic equivalent

## Select generics and save

Many popular brand-name medications are available for less money. All are approved by the Food and Drug Administration.

## Connect to Regence pharmacy benefits

Access your pharmacy benefits from your home screen.

Navigate your prescription benefits with ease. See if a medication is covered and how much it'll cost, find a pharmacy, sign up for convenient home delivery and more.

## Save money on your high-cost medicines with FlexAccess

Medicines for long-term health conditions can be expensive and hard to get when and where you need them.

FlexAccess is here to help. This is a new program that your health plan offers as part of your health insurance benefits. FlexAccess finds the best copay assistance (coupon) discounts for you - meaning your medicines may be cheaper and easier to get.

## Here are some great benefits you'll gain when you sign up for FlexAccess:

- Savings: Your copays (what you pay for medicine at the pharmacy) will almost always be $\$ 0-\$ 35$.
- More options: You may be able to get high-cost medicines at more pharmacies. ${ }^{1}$

## Sign up for FlexAccess today to start saving on your medicines

Call 888-302-3618, and one of our representatives will help guide you through the enrollment process. Please note that if you do not register, you may be responsible for paying your copay without assistance.

## FAQs

| Question | Answer |
| :---: | :---: |
| How do I enroll? | You can sign up at hinge.health/utahstate-success-webinar |
| How much does the program cost? | Provided at no cost for all employees and dependents 18+ enrolled in the Utah State University medical plan. |
| Can I join the program if I don't have any pain? | Yes, we have a Wellness program for participants who aren't currently suffering from any pain. The program includes a customized exercise plan. |
| What is a health coach and how can they help me? | In some of our programs, you will receive $1: 1$ health coaching. A health coach is an accountability partner. They will work 1:1 with you throughout the program to help you create and stick with your goals. You will have a monthly call with them and they will check-in with you each week. |
| Can I do more than one program at the same time? | Participants are unable to do multiple programs simultaneously. We recommend selecting the part of the body you would like to work on first. Once you complete the first 12-weeks, we will be happy to have you on another program. |
| What if my doctor has told me that I can't do specific movements? | The program is designed to meet you where you are, we provide modifications and education on how to pace yourself during your activities so you can succeed. |
