Discussion about last week's events:

Pals & Popsicles- Maybe a little earlier so it won't be as dark or bring a flood light. No music by the fountain. Buy more popsicles and ice cream (100 popsicles)

Pickleball- Beginner, Intermediate, Advanced. Go to 7 points

Day of Caring- Thanks for going

Pen Pals- Let more students do pen pals rather than us doing them during office hours, we can complete any extra after that. Get more letters from more teachers. Combine with another event? Coloring night with pen pals?

High Stakes Bingo- Lots more people than we thought! Keep drawing rocks, it worked super well. Let's do Bingo again. Do the drink station again but with more lemonade.

Candy on tables again.
