Discussion about last week's events:

- Flag Football: got dark super fast so we need to do it earlier. Figure out the timing for each game before we start. 5-7 people on a team only.
- Trick or Treat event: the event went really well, a ton of people came and we didn't run out of candy!
- Halloween Dance: it was good, a lot of people had fun and we had about 200 people there.

Student Fee Meeting:

- Today at 11am in the boardroom. Very similar to our meeting that we had over the summer.
