Opening Kahoot: Lily

Discussion about last week's events:

- Flag Football: should have kept it at 6pm for a better turn out but 5pm was better for light.
- Casino Night: great turn out and we have different things that we want to change for next time. Let's have students write their names on tickets and we won't trade up next time.
- Sean Bott: So much fun! We need to get more people there, hype it up. Make a promo video for next time that way people know what a mentalist is.

Intramurals: Berkley

- 5:45 setup tonight at the BDAC we will be doing spikeball at 6.

Bread and Soup Night: Madisen & Brooklyn

- 5-7 this monday. We will set up at 4.

Office hour schedule for Spring: Madysen

- Get your schedules to me asap that way I can finalize the new office hour schedule for next semester

Prizes & Students @ events: Allie:

- We need to get names and A#'s and verify that the winners are students before they collect their prizes. We need to do this any time that we collect prizes.

Meeting about stipulations for athletic and BDAC fees/Jess Brinkerhoff's email: Dyson

- Begin thinking about what we want that money to go towards.
- We have the company to do the automated check in but they haven't been able to come down and finalize it yet. However, it is in the works.

Motion to adjourn meeting: Dyson
