

USUSA Eastern

Date: 6 December 2023

Time: 7:00

Attendees: Kacie, Lily, Hadley, Tiara, Allie, Berkley, Shaun, Madysen, Sailor, Haylee, Esi, Dyson, Brooklyn, Kaitlyn

Late: Cameron, Madisen

Absent: Mollie, Kyler

Approved last meetings minutes

Opening Kahoot: Sailor

Discussion about last week's events:

- Mug Paint Night and Blanket Tying: blanket tying went well but some people wanted to take the blankets home. Lots of people had fun painting mugs and we got too many mugs but now we have more for next time.

Welcome Week Activities Events: Lily

- Music Bingo: this is bingo but with names of songs. We will have different categories of songs. We play the songs and they cross them off. Start time at 7, set up at 5. Wear polos and name tags.
- Nexus Nirvana: starts at 7, set up at 6. We need another cup pong table and a lot of red solo cups. We will have pizza and it will run the same as last time.
- Decades Dance: 8-10pm. This is going to be in the Black Box and we don't know what time we are setting up yet. Dress as your favorite decade. DJ Cam will be there.

Welcome Week Diversity Scavenger Hunt: Esi

- This will be a tabling activity. This is going to be a trivia scavenger hunt and we are hiding flags from different countries each hour.

January Intramurals: Hadley

- 17 & 24 is going to be dodgeball (maybe partner with the RA's)
- 31st is when we will start cornhole

BDAC & Athletic Fee Stipulations: Dyson

- We talked with Jess Brinkerhoff at our executive meeting yesterday and we got to hear his reasoning behind everything that the BDAC and athletics are doing. There are projects in place that are going to take care of the stipulations that we came up with.

- We will have Hadley meet with Jess to discuss different ideas that we would like to see in the BDAC or Athletics.
- One stipulation we are thinking of doing is that Jess needs to talk with us about what he is spending our student fees on.

Tentative Thursdays at 8: Dyson

- This is when we will be meeting as a USUSA group

Institute: Dyson

- No longer an excused absence for missing activities.

Helpers at Science Fair: Allie

- Wednesday Feb. 21st. Between 8:20-11:10am.

If you are planning to run for an elected position, the applications open in January. If you run but don't win you need to sign up for leadership day if you want to be on the team next year. If you get elected, you have to be here for the summer to do office hours or meetings.

Motion to adjourn meeting: Dyson

Move to the motion: Haylee

2nd: Kacie
