Discussion about last week's events:

- Decades Dance: went pretty good and the decades candy was really fun! We need to try new ways of marketing as well.
- Diversity Scavenger Hunt: it went okay. The participation wasn't amazing but wasn't bad either. Maybe try to do it in one building if it is winter when we do it again.

Lip Sync Battle: Lily

- Set up at 6:30 start time is 7. Each team is going to do a battle to help people feel comfortable with it.
- We will be tabling for that today to help people know about it.

Intramurals: Hadley

- Start time is 6 and we will be doing dodgeball. No prizes this week but next week we will have dodgeball. Set up at 5:45.

Meeting with Jess: Hadley

- Everything is going good with the keycard and the door getting put in. This has taken a lot longer than he expected but it should be officially put in place this week.
- Jess is wanting to replace the flooring and is wondering if we can help. However, he is redoing the paint, bathrooms and more.
- For fan appreciation we will do one time out per team on Feb. 7

Student travel funding request(s) follow up: Dyson

- USU will be covering the hotel cost and she doesn't have any funds for travel. She already paid for the conference as the price would have increased after December 31. What we would cover is flights, registration and meals.

- Dyson moved a motion for paying for Chapel's flights, conference registration, and meals for the Chicago trip. Tiara moved to approve and Mollie seconds. Everyone approves. (Approved: Hadley, Haylee, Kacie, Brooklyn, Esi, Madisen, Mollie, Tiara. Absent from voting: Shaun, Kaitlyn, Lily, Sailor)

Tiara's Wisdom:

- A few things that were noticed this last week while she joined the team. Why aren't the people putting on the event not participating in the event? We need to have energy at our events to help students feel like they want to be there. It is so hard to plan an event and have people complain the whole time. If you don't want to be there, don't be there. If it isn't your vibe it is okay! You can take a break. Don't wait for someone to tell you what to do, just ask or pick something to do. If we work together it runs smoothly. We need to listen to Lily when she is explaining different things and tasks for us. We are a team and we need to start acting like it more. Maybe we need more specific details that we have planned.
- Maybe we need more dances in the MPR, not the Black Box.
- Everyone on the team deserves to be listened to, not just Dyson, Allie or Cameron.
- We have 80% 20% for events so don't panic if you don't want to come to an event.
- We need to repost the flyers for every single event.

Office Hours: Madysen

- Office hours are for USUSA tasks first, not homework. However if we complete all of our tasks you can do homework.

Position Descriptions: Dyson

- Make sure they are revised and completed.

Creekview Science Fair Wednesday Feb 21st: Allie

- At 8:20am there needs to be a group of volunteers to judge. Allie, Cam. Hadley, Lily, Esi and Mollie will be going.

Motion to adjourn meeting: Dyson

Move to the motion: Haylee

2nd: Brooklyn
