Discussion about last week's events:

- Lip Sync Battle: we wish more people would have come. We think that more students like events where they can just come and hang out. We don't think that this is an event that we won't plan again
- Intramurals: Not a ton of people came this first week so we expect for more people to come this week. However, the tracktion of intramurals will pick up as the semester goes on.
- Keep posting for all the events!

Intramurals Dodgeball: Hadley

- Dodgeball again this week. We will have the same rules as last week and will be giving away Owala water bottles. Set up at 5:45 starts at 6.

Sweater Swap: Brooklyn

- Set up at 6:15 starts at 7. We will do a keychain activity where people can make a keychain at the event. We might do blanket tying as well. In the MPR. Don't wear your sweater until Thursday.

Fan appreciation idea:

- Hats and gloves to be donated at the game.

Ice Skating: Madysen

- Partnering with Outdoor Rec. Have a waiver there for people to sign. Be there at 5:45 and it starts at 6.

Watch Parties for Logan/Away Games: Allie

- Whenever there are big games in Logan we should have watch parties here for us to watch in the Nexus. We can do it for football for sure.
- We can also do this for our own basketball teams and other teams.

Possibly doing March Madness watch parties for students to watch throughout the season. Hadley will be reaching out to the RA's to discuss if they are doing.  
Also doing March Madness for the students, having a bracket and a big prize at the end.

Motion to adjourn meeting: Dyson
