Upward Bound: Desiree Buchmiller

- Upward bound is a college readiness program for students as they prepare for college. For 5 out of 6 weeks students will be living on campus and you will be in charge of 4-6 students. You would be in charge of planning a few evening activities as well. There are also two trips involved for the students and the leaders. June 2- July 3 and then there is a final trip as well that is all required for the team leads. You live in the dorms and your food is also covered. If you want to apply, do so quickly. They are looking for 3 female and 2 male mentors minimum.

Discussion about last week's events:

- Intramurals: they were good, the same teams came. We need to spread the word that you don't have to sign up beforehand, you can just come. We need to make a good effort to invite.
- Sweater Swap: it was so good! We had so many people and it ran very smoothly. We were able to reach a different group of people too. There were a great amount of sweaters as well.

Nexus Furniture: Dyson

- We got some quotes on what the cost for new furniture in the Nexus. We want to add booths and tables as well as some other seating for the students. Looked at 4 various layout options. Cam shared how he thinks merging option one and four

is a good combo. We have two different price points but we can make the decision of what we would like to do for the Nexus.

- Dyson entertained a motion to go ahead with the furniture for \$15,561.39. Shaun moved the motion. Everyone was in favor. Kacie, Haylee, Lily, Madisen, Brooklyn, Esi, Hadley, Tiara, Mollie, Sailor, Kaitlyn, Shaun.
