Approved last meetings minutes

Ice Breaker

Discussion about last week's events:

- Intramurals: went pretty well, need to make some adjustments but they are in the works. No intramurals this week but they will be next week.
- Castle Valley Center Bears: It was good! They all loved it and it went really well. This is something we should continue doing.

Black Panther Movie Night: Esi

- We will be watching Black Panther at 6:30 set up at 6:15. We need to ensure we clean the popcorn machine out at the end of the event.

Cancer Awareness Games & Jerseys: Dyson

- We will be giving away basketball jerseys at our basketball games this week. We play SLCC and Snow. Mollie and Hadley will be making a video to advertise that we are giving jerseys away. We will be giving out 25 jerseys at both games. Wednesday at 5 and Saturday at 1. Wear your jerseys tomorrow to show them off.

Mario Kart Eastern Games: Allie

- Thursday from 5-7 in the nexus. This will be extra credit

Golden Star: Lily

- This will be next Tuesday! There are a ton of fun prizes, we need to start telling everyone about it now. Set up at 5. The dress is semi formal, so dress for the occasion. This will be in the MPR. Lily will give out jobs next week.

Publicity/Sound Request Forms: Mollie

- We need to make sure we are sending them to T and Mollie two weeks before the event. Share the flyers on social media. If something is changed after the publicity request you need to text Mollie ASAP. We need to talk to all of our

people and help them know about events. Texts and snapchat and the little flyers on the doors are the best ways for people to hear about events.

- We need to start asking students how they want to hear about events. Maybe we can add more reminder texts on the day of the events.
- A frame in the hallway of the JLSC might work out really well.

Office Hours: Madysen

- Please do these when you're supposed to because there are things that need to be accomplished. If you really can't make it just let us know and then make them up.

Position Descriptions: Dyson

- Please send these to Madysen by next Tuesday, she is missing 4.

Maintenance Request (pickleball/volleyball/cornhole): Dyson

- We all think that pickleball courts are going to be more beneficial for the students. The sand volleyball court or the corn hole boards aren't things we necessarily want to see.

Happy birthday to Dyson

Motion to adjourn meeting: Dyson

Move to the motion: Shaun
