Ice Breaker

Sarah Pope

- Sarah had the opportunity to come and talk with us about her campaign and get to know our USUSA team here on the Eastern campus.
- There is a gap between statewide and Logan campuses as well that Sarah would like to bridge. Maybe there is an event that we can do to combine Logan as well as statewide campuses here at the Eastern campus.
- Sarah told us her experience in the USU system and her goals for the next year if she were to be our USUSA President.

Discussion about last week's events:

- Black Panther Movie Night: Not a huge turn out but the people who did go liked it. It was frustrating to not have people from the team there during the event. If you can be at the event please be there, don't leave.
- Basketball Games/Jersey Giveaways: we weren't able to give them all out on the Saturday game. We realized that it was easier to give tickets when students were in the student section because we knew who were students. There are two home games next week.

Golden Star: Lily

- Set up is at 4 start time is 7. We will meet in the office. During the day there are some things that we need to get done during office hours. Everyone has a job for set up so be there to do your job.

Stuff Your Feelings: Kacie

- This is a tabling event that starts at 10am. Be there in your office hours. Only one per student, don't let them take more than one for their friends.

Snacks with Shaun: Shaun

- Thursday at 3. Please tell people and be there for the event. Same as always, Crumbl cookies will be there.

Mini Mic Interviews: Esi

- Esi is doing interviews over the next few weeks. It will be black history month trivia. She will be giving away gift cards to those who get it right.

Meeting with Jess: Hadley

- Jess talked with Hadley about spending money for the athletic training room. She will be meeting with him to discuss this further here soon.

Student Research Trip Funding Proposal: Shaun/Allie

- Shaun will be going to Toronto for a conference. He will be presenting his research on mammoths and wants our help funding the trip. He is requesting \$1,200 from us. He already has \$300 and he has applied for other grants that he is hoping to receive as well. Shaun will be abstained from voting.
- We took a vote via text (Shaun, Dyson and Madysen were not a part of the voting) Dyson needed a so move, Hadley so moved, Tiara second. The votes were unanimous everyone voted Aye (Hadley, Esi, Kacie, Lily, Mollie, Kaitlyn, Madisen, Haylee, Tiara, Brooklyn and Sailor)

SNAC Closet Opening/Closing, Pickleball Nets, BDAC Funds: Allie

- The SNAC closet needs to be opened and closed at the beginning and end of each weekday. Opens at 8 and closes at the last person's office hours.
- Facilities has sent over an idea for the nets and they might charge us for some paint.
- We approved Jess to have \$10,000 for the electronic check in system with extended hours and weekends open. It has all been installed and they are currently getting trained on the system. He is hoping to implement this by March 1st. Do we want to wait to give him the funds or do we want to wait until it is all implemented.
