Discussion about last week's events:

- Diversity Week: it went fine. A lot of what we bought was taken.
- Volleyball Intramurals: not a great turn out, just enough for two teams. It was good. It was fun for everyone involved.

Casino Night: Lily

- Set up at 4pm. There isn't too much to set up so it shouldn't take too long. Wear your nametags and dress in black tie. The guys will be there at 6 to set up the casino tables. Playing will go until 9:30 then we will do tickets/prizes.

Intramurals: Hadley

- March Madness (Basketball intramurals). Not prizes will be given out this week but there will be prizes given out after spring break. It will be at 6pm be there 5:55pm.

Dyson:

- Pickleball Court: we hired someone to come and do it and it should be done by the end of the year.
- Corn Hole Boards: they are 15 weeks out but they are coming.
- Facilities is wanting to do a ribbon cutting for the corn hole boards and the pickleball court. We are on board.

Allie needs to talk about:

- Leadership Applications/Getting the Word Out: We need to begin posting about leadership day to get people on our campus as well as other friends so they can learn about leadership day.
- Leadership Day Assignments: let Allie know when you are not available for leadership day. March 21 and 22 all day is when it is so please let her know sooner rather than later. There will be shifts for leadership day so you don't have

to be there the whole time. Be there in your office hours and the afternoon if you can! We also will be doing a transition day in April. Begin writing your transition letters. Please wear your polos and nametags

- Massage Chairs for the Nexus: we would like to purchase new massage chairs. Everyone is on board.
- Dance off at Leadership Day: this will be the beginning of the day on thursday. We will wear all black and then our baseball jerseys.
