Discussion about last week's events:

- Snacks with Shaun: Super great, we had a good turn out.
- Intramurals: Went really well, we had about 5 teams show up. We have a goal to have more people coming consistently.
- True Eagle: It was pretty cold but there weren't as many people compared to fall semester. Maybe we need to just do it once a year or later in the Spring semester like in April.

Blooms and Buds: Haylee

- We are making fake flower arrangements. There will be a self care package that people will be entered into when they come to the event.

Upcoming Events from Lily:

- High Stakes Bingo: Next thursday at 7
- Lite Brite: This will be the following Tuesday at 8. We might set up the day before.

Approving Student Fee Bylaws: Dyson/Eric

- We need to rewrite the student fee allocation committee meeting rules. We went through line by line to discuss. We were great with the majority of them. We are changing where it says "EUSA" to saying "USUSA". Dyson entertained a motion to change the official names of the SFAC, Brooklyn moved and Kaitlyn seconded the motion. Everyone said Yes (Sailor, Esi, Kacie, Hadley, Mollie, Brooklyn, Kaitlyn, Tiara, Lily, Haylee, and Madisen)

Bouldering Wall: Eric

- Do we want to buy the bouldering wall? We don't think it will be used as much as we would want it to so we will veto that idea for now. We will use the money to update the rec instead.

Motion to adjourn meeting: Dyson

Move to the motion: Tiara
2nd: Hadley
