Discussion about last week's events

- Eastern Games
  - Pickleball turned out very good, and the music was very fun.
- Loteria
  - It was great, the event decorations were very beautiful. Trying to do blackout was difficult, but the event was super good and turned out amazing.

Upcoming Events

- Nexus Nirvana
  - Will have a text sent out today. There will be a balloon arch and decorations. Need to pick up cupcakes today. The pool is going to be played differently, so it goes faster (last person standing).
- Pocket Pals
  - Set up is at 5:15, and we need to put tablecloths out. Tables should be rectangular and circular ones if the event is in the MPR.
- Packing Bread
  - Going at 12:30 and meeting in front of the MCC at 12:25 to leave.

## Brooklyn

- Texting Expectations
  - If there is something sent in the group chat, it needs to be responded to.
- Office Hours Expectation List (Allie Or Cam)
  - Expectations in office hours and certain things are allowed and not allowed. The executive team is compiling a list of tasks that need to be completed. There are service hours that need to be done if everything is finished
- Being on time to set up
  - Be on time to events and meetings. When there is a setup time, we need to be there on time to complete the tasks.
- Talking around the table
  - Kaylee- Has an event this week, and the set-up time is at 6.
  - Dallin – Good Job, everyone
  - Alex – Just posted the flyer today and wants everyone to
  - Mabel – Thinks we are doing great as a team, just need to work on being on time
  - BriLee – Going to a service retreat this weekend in Heber and is very excited.
  - TaiLynn – True eagle theme is going to be Save a Horse, Kiss a Cowboy.
  - Adri- Harvest Fest is going to be at some point near the end of October. The trick or treat is going to be open to the community and students. Many ideas are in the works. We want to make sure the community is aware.
  - Hailey – Last week's events went very well, and there were a lot of people there
  - Alyssa – Being on time for things
  - Brooklyn – We are held to a higher standard, and we need to be professional. Other than that, we are doing awesome.
